

FOR HOA & CONDOMINIUM BOARDS

Your financial reports and reserve study, ready for board decisions.

Continuum brings the reports you already receive into one working view. Spot cost trends, compare funding options, and trace the numbers back to their source.

See the bigger picture with Continuum.

FOR EXAMPLE

\$350,000 in reserve spending next year	Compare funding options for the planned work.
Landscaping costs up \$10,000	Spot the trend and trace it to its source.
\$80,000 in CDs approaching maturity	Work through cash timing with your advisers.

01 Understand the financials

Review budget differences and vendor costs, with linked source reports.

02 Compare funding options

Analyze operating costs and future repairs together, then see what funding choices mean for dues.

03 Prepare for future needs

Work with your manager and professional advisers to align savings, planned repairs, and funding needs.

04 Explain decisions clearly

Show homeowners the reasons behind a decision. Keep the supporting records for the next board.

Continuum works with the reports you already receive.

We help bring your financial PDFs and reserve study into Continuum. Your manager and advisers stay involved. Board updates arrive by email, with detail in the platform.

A decision your community can understand.

\$3 per home / month
